

Sweet Potato Plow

Saves time... no more dead heading or skipping rows around the field
No more cutting vines ahead of harvesting
Available in 2 or 4 row models
Available with smooth or scalloped blades
Blade angle controlled by a hydraulic cylinder
All models come standard with blade scrapers
Large 28" diameter coulter blades
Lube fittings and grease grooves at all swivel points for ease of operation and wear resistance
Extra heavy duty construction for long time use and reliability
Completely adjustable row widths from 38" to 48" with no additional parts to buy
